Could any suggested changes to the Euroa roster please be emailed to the Editor. It is too difficult to take note of changes at the meeting on the hop.

Billy's Blog

Our 2017 year of Rotary got off to a great start on a lovely summer morning with breakfast in the park cooked up in style by Mandy, Neville and Linda. Thanks to all who attended.

Next meeting will be back at the Golf Club and I look forward to inducting new member Bob Irving to our club.

The rest of the meeting will involve some discussion on projects that are coming up for the rest of our year. Reports on the Memorial Park, Ride the Ranges, the Euroa Gift, the Friendlies project and the house building project in New Guinea will keep everyone up to date and give all a chance to contribute in the planning.

I have also had a request from Colleen Furlanetto, who is assisting in the co-ordination of hay for the Burrumbuttock Hay Runners. She already has three truck loads going from Euroa and is looking for some assistance in perhaps a donation towards fuel costs for the truck owners, who have volunteered their services, or from anyone who may be able to donate some hay to fill another truck or two.

We have enjoyed a wonderful season here but unfortunately there are still areas in the north who aren't so lucky. The donated hay is going to Hughenden on February 22nd. I'm sure we can help in some way and invite suggestions.

See you all Thursday. **NOTE AGAIN – AT THE GOLF CLUB – FLAM SHAN WEEK AFTER!**

Breakfast in the Seven Creeks Park was enjoyed by all!

Items to be shared are always welcome
