**Apologies and guests to Noel O'Meara
 on 5795 2783 by Thursday 11 am**

Could any suggested changes to the Eurota roster please be emailed to the Editor. It is too difficult to take note of changes at the meeting on the hop.

Billy's Blog

Well – it seems the social night at Connie's was a success! It's good to try a few different things that we can include partners in. Ken is investigating a cruise on the Goulburn River one evening in February if it doesn't turn out to be too expensive.

PLEASE NOTE – Due to a large number of early apologies we have decided to cancel this week's meeting on Australia Day.

We felt it would be unfair to our guest speaker if less than half the members were in attendance and she is happy to arrange a date at a later date to come to a meeting.

If any members are available on Australia Day we will be setting up the chairs and a marquee at around 11am for the ceremony at the RSL hall.

I hope you all have an enjoyable Australia Day – put on some good Aussie music – put a chop on the barbie – open a bottle of Aussie wine and celebrate all the good things that this great country provides for us.

See you all back at the Golf Club on February 2nd.

40 Rotarians and partners enjoyed the dinner at the Flan Sham on Thursday night, good food and great fellowship.

Rotary Club of Euroa members enjoy our social occasions.

Child Safe Standards

Secretary Peter sent an email outlining the 7 Child Safe Standards which came into play on January 1. The focus of the Standards is to help organisations to drive cultural change so that protecting children from abuse is embedded in everyday thinking and practice and was sent to us by the District. Secretary Peter invites all members to make their comments known to him.

Beryl Webster is in hospital and not at all well and, after some respite care Geoff is home. Daughter Chris reports that both would benefit from short visits. Geoff is getting about and visiting Beryl everyday. We wish them both all the best and hope that some of our Family or Rotary can
