Could any suggested changes to the Eurota roster please be emailed to the Editor. It is too difficult to take note of changes at the meeting on the hop.

Billy's Blog

President Bill reminds all Board Members that the Board Meeting tomorrow night is at his house, 118 Boundary Road South, tomorrow night instead of at the Library Community Room.

It certainly was great to see almost 80 people at a Rotary meeting last Thursday and the positive feedback from our guests indicated that they were very appreciative of the opportunity to be there to share in the benefits of their contributions to the open garden weekend in November last.

It was also good to utilize an excellent venue for such an occasion- although a little noisy. Please note that this week's meeting will be at the Bowling Club where those who feel so inclined can join in a game of social bowls after the meeting. We might have a 5 end challenge between the 2 Rotary teams that compete in the Wednesday night competition. Just a reminder to check the roster each week to see if you are listed and if you are unavailable please contact someone to take your place.

For those who have not yet booked in for the conference in Shepparton on March 18 please see Gillian. It's a great opportunity when it's so close to home. See you Thursday.

President Bill thanks everyone for help at the November Garden Design Fest

Roger Thornton, President of the Rotary Club of Melbourne Central hands the cheque for \$10 000 to Euroa Health Board President, Jim Perry.

Last Thursday's Meeting

Approximately 85 members and guests met at Graze on Clifton for this past week's meeting. The special night was held to thank all those who helped participate to make the Garden Design Fest, carried out by some Melbourne Rotary Clubs, a huge success and to receive cheques for profits made. The Melbourne Clubs, Melbourne Central and Kew, presented a cheque for \$10,000 to Euroa Health and \$2000 to the Rotary Club of Euroa. The club was willingly helped by many members of the Euroa community.

Joy Elston had a fall in the shower at Violet Town recently and has broken both her hip and her shoulder. Daughter Sue reports that she is in Shepparton Hospital and will move soon into the Rehab section. She has been in a lot of pain as she is allergic to painkillers. The report today, Sunday, is that she is again in good spirits and coming along nicely. Sue said there is every possibility that most of her mobility will return. The club is sending flowers to Joy, a great supporter of our club!
