Could any suggested changes to the Eurota roster please be emailed to the Editor. It is too difficult to take note of changes at the meeting on the hop.

Billy's Blog

Another different, but enjoyable Rotary meeting at the Bowling Club last week. Its good to try different venues and enjoy a relocked social atmosphere in different surrounds. May have uncovered a couple of hidden talents as well. It will be ideal weather for the market on Saturday so we could expect a good crowd. Next week's meeting is back at the Golf Club where Matilda Gall will be an interesting guest speaker on her travels and involvement with her World Challenge trip to Borneo.

Ken has had a strong indication of good numbers for the trots on Tuesday, February 28, a night at the theatre in Benalla on April 6 and a winery cruise on the Goulburn River on Sunday April 30...plenty of social time to reward our hard work! See you Thursday!

Bowls Night

Those who rocked up on Thursday night had a lovely time. The meal was delicious and the weather cooled down to accommodate the best of play at the annual Bowls night. A good crowd attended, some watching and some playing. It was a great night of fellowship with great skill displayed.

President Bill took this shot of John Heal with the caption, poetry in motion!

Some serious tactics being discussed here.

Our club is full of organisers, David Cerini put on the leader's hat for the night. He reports that after 2 gruelling games Dennis Rebbeck and Andrew Burton were winners in A Grade and Brian Bamford and Ken McLennan took out the B Grade.

Working with Children...email to President Bill from DG Tony

Sending details to all clubs regarding what is required to conform with the new Child Safe Standards which apply now from January 1, 2017. From this date not-for-profit organisations must comply with the State Government's Child Safe Standards. As Rotary is a not-for-profit organisation, all clubs must comply with these standards. The 7 standards are as noted: 1. Strategies to embed an organisational culture of child safety, including through effective leadership arrangements, 2. A child safe policy or statement of commitment to child safety, 3. A code of conduct that establishes clear expectations for appropriate behaviour with children, 4. Screening, supervision, training and other human resources practises that reduce the risk of child abuse by new and existing personnel, 5. Processes for responding to and reporting suspected child abuse, 6. Strategies to identify and reduce or remove risks of child abuse, 7. Strategies to promote the participation and empowerment of children.

DG Tony points out that it is not necessary for clubs to re-invent the wheel to implement these standards. The Victorian Department of Health and Human Services has provided a toolkit <http://www.dhs.vic.gov.au/about-the-department/documents-and-resources/policies,-guidelines-and-legislation/child-safe-standards-resources>.

Joy is pictured this week in GV Health Rehab with the Rotary flowers.
