Could any suggested changes to the Eurota roster please be emailed to the Editor. It is too difficult to take note of changes at the meeting on the hop.

Billy's Blog

I hope everyone is ready to enjoy a relaxing and enjoyable Easter break. Don't forget this week's **meeting on Tuesday evening** and make sure you have **checked the roster for the Market on Easter Saturday**. If you are going to be away, let Gillian know for rostering purposes, please!

The weekend after Easter is another busy one for all of us with the criterium on the Saturday and Ride the Ranges on the Sunday. Tubby and Brian have done a great job with securing increased sponsorship which, in turn, will attract increased entries. This weekend is getting bigger and better and is a great thing for the town and a major fundraiser for our club.

I have had a call from 5 Rotary districts effected by Cyclone Debbie with an appeal for donations. Anyone with suggestions please let me know. See you on **Tuesday**.

Last Thursday's Meeting

About 25 members and partners attended the BPACC performance of Hello Beautiful. Although our reviews were mixed, the one-woman show was vibrant and entertaining. We enjoyed one of Bibby's lovely boxed tea in the bus on the way to Benalla. The show lasted an hour and we were home at 9:30, a welcome returning time for most.

Joy is happy to be back in Violet Town

Joy is pictured recently catching up on news of Euroa. After an eight week recovery in GV Rehab, Joy returned to her Nursing Home in Violet Town on Monday. The first 2 weeks after her fractured hip and shoulder were challenging, with very little movement being possible. In the last 6 weeks, daughter Jennie reports that Joy has made a lot of progress. "With her usual determination she is now walking slowly, and her arm is out of a sling and being tentatively used." Jennie continues, "It was heart warming to see the warmth of her welcome back to VT: her cheerful nature and friendliness is very much appreciated there. And she is very happy to be 'home'."

Joy turns 89 on Friday.
