Could any suggested changes to the Eurota roster please be emailed to the Editor. It is too difficult to take note of changes at the meeting on the hop.

# Billy's Blog

My fault the Eurota is late this week – Linda had to ring and ask me for a blog. Only 3 more to do and for the first time I forgot. The handover is coming at a good time!

I believe a good thing that came out of last week's meeting was something we haven't been doing for a long time. The chairman's 3 minute address. I thought the update in the area of chairman James' expertise was well done and maybe it is something we should look to bring back into practice. From the questions asked after the address by Lyn Newnham on home care for the aged, it indicated that the topic was pretty relevant to her audience.

Still a couple of reports required from board members for the Annual report and a reminder to incoming board members the combined board meeting is at the Library on Tuesday June 13<sup>th</sup> at 7.30pm.

See you all Thursday.

## Thursday Night's Meeting

Lyn Newnham, who works for Honeysuckle Health Services talked to us about Care in the Home, Home Support which is now a Commonwealth Health Service managed through the My Aged Care website. The new service provides a package of money for clients' needs, provided on different levels according to the need. The money is assigned to the client who then, when they have been for the service, have to fine a provider themselves. Honeysuckle Health is only 1 local provider.

Guest Speaker Lyn Newnham is pictured with Preseident Bill and Chair for the evening, James Carter

Pictured, are some of the helpers who moved Ronnie Bonnitcha into her new unit on Thursday last week. Many hands make light work and Ronnie was very grateful for the help. A great turn out gathered to help one of our own!

Walkers are welcome to join the happy band who gather for some exercise on Wednesdays at 7:30 am at the Rotary Barbecue, all very welcome.
