Could any suggested changes to the Eurota roster please be emailed to the Editor. It is too difficult to take note of changes at the meeting on the hop.

Billy's Last Blog!

Someone told me last year at this time that the year would go quickly. Well – it has! I guess the fact that we have been busy has made it seem that way. I hope you have all felt that there has been a good balance of social activity with the workload we have undertaken. Thank you for the feedback (mostly from the wives) that has encouraged me to keep these blogs going each week.

I am sure Richard has plans for the coming year to be another enjoyable and challenging one with projects like the Telstra Park, (we need to rename this) to be completed. The Farmers' Market will continue to grow and I am sure Michael's plan for the International project in New Guinea will gain momentum as well.

Yes – I am looking forward to our Handover next Friday – but in saying that I have enjoyed my role as President for the past 12 months. Never forget that there has been 70 years put into the Rotary Club of Euroa. When you go to other clubs we are looked on in high regard – as we are by the people of our town. So keep up the good work and let's keep building by all staying on the lookout for some new younger members.

See you all next Friday at Graze on Clifton.

Thursday night's meeting

President Bill's last meeting with program chair, Ken and our own guest speaker, Michael..

Michael Tehan was guest speaker on Thursday night with a report on his recent trip to Europe and Scandinavia with his wife, Jenny. He said that it was a varied trip which saw them on the move 11 days, which on reflection, was a bit too busy. Highlights included meeting up with former Norwegian exchange student, Brigitte, who was in Euroa 1987-88. They very much enjoyed being shown around her

beautiful country by son Alexander, especially celebrating Norwegian Day with them. Another highlight was enjoying dinner to celebrate Jenny's significant birthday in Malmo with Eric and Margot Lund.

They spent a week in France and on to Scandinavia. Michael notes that security was amazing everywhere. Weather during the trip was mostly grey. They enjoyed all the tourist things that Paris has to offer. Michael's talk was accompanied by a series of photos. Two stand outs were Baby Dior, prices were just unbelievable and a photo of the Oslo Opera House, which appears to be slipping into the water.

it was great to see Max McBurney return to our meeting. He has been unwell but is now on the improve.

Reg Gifford reported that his wife, Marg, is in Euroa Hospital, following a stint in Melbourne. She is recovering nicely and is in room 16 if people want to pay a visit.
