Could any suggested changes to the Eurota roster please be emailed to the Editor. It is too difficult to take note of changes at the meeting on the hop.

Richie's Report

Welcome all to the New Year.

Friday night's changeover was a good night, I'm sure enjoyed by all. Many thanks to Bill and Joan for their preparations to make the night a success. Thanks to Brian for keeping the evening on track as MC. Congratulations to John King and Denis Nolan on receiving their Paul Harris award - this was certainly a highlight of the night. They are both well deserved long serving and hard working members of our club. I attended the Lions changeover on Thursday, June 22, their new president is Allan Borden. They have inducted four female members for the first time this year, but not all male members are happy about this. I attended the Apex changeover on Saturday, July 1 where Travis Hausler was inducted as president. Their club was close to folding but now have 16 members. Bill and I attended Alexandra changeover Wednesday, June 28 where David Dimech has taken over the reins. It was a good night although they are going through turbulent times right now. Thursday, July 6 at 5.30pm is a working bee at hospital and BBQ - bring partners and friends.

Cheers Ritchie
