Richie's Report

At Tuesday's board meeting it was decided to raise our annual subs to \$280. Invoices have been emailed out and it would be appreciated if members could pay within 30 days. This is due mainly to a rise in Rotary International fees. **There are still few members who are yet to pay for their Rotary shirt can they please see Richard Long ASAP.** Ken, as vocation chair, is organizing a business breakfast early new year, possibly February or March, any suggestions as to guest speakers please speak to Ken. Roman is progressing well with his Friends of Rotary guidelines, should be up and running soon.

There is a working bee next Friday 2pm at Balmattum walking track, whipper snip and roundup happening. Please ring Bill or Richard Long if you can help. Street tree planting, Richard Long reports trees have been ordered, so tree planters will be required in next couple of weeks.

The first soil has been turned for the new toilet block at our new park behind the Post Office. Nicky Pummeroy is currently producing a show called Calendar Girls and a nude calendar based on the show.

Nicky has asked if Rotary would be interested in purchasing a number of calendars. Price \$20 of which \$5 will be donated to the Leukaemia Foundation.

Saturday Night's Curry and Casserole Night

Twenty some Rotarians and guests enjoyed the hospitality of Ronnie Doxey and Bernie O'Dea on Saturday night. Casseroles and Currys of all sorts were on the menu, all yummy and most welcome on the late winter night. Thank you to Ronnie and Bernie, the meal concluded with a lovely selection of sweets.

The Board is considering scrapping the trailer raffle this year. Members are seeking ideas to replace that raffle, as it is felt that the idea is tired. Let President Richard or Secretary Mandy know your ideas, please.

Memorable Moments

As part of our Rotary Education program in 2017/18, a number of Rotarians have been requested to identify and describe some memorable moments and Club projects in which they have been involved. Over the next few weeks their thoughts and comments will be published in the Bulletin. If you also have some and wish to participate, please email them to PP Michael Tehan “

An Oldie but a Goody

A passenger in a taxi heading for the airport leaned over to ask the driver a question and gently tapped him on the shoulder to get his attention.

The driver screamed, lost control of the cab, nearly hit a bus, drove up over the curb, and stopped just inches from a large plate window. For a few moments everything was silent in the cab. The, the shaking driver said, "Are you ok? I'm so sorry, but you scared the daylight out of me." The badly shaken passenger apologized to the driver and said, "I didn't realize that a mere tap on the shoulder would startle someone so badly."

The driver replied, "No, no I'm the one who is sorry, it's entirely my fault. Today is my first day driving a cab. I've been driving a hearse for 25 years!"
