Richie's Report

An enjoyable night was had by all who attended the Thursday night gym session at the Euroa Hospital. Gym instructor, Claudia, explained the benefits of each exercise, then encouraged us through a training session consisting of fourteen different exercises.

After our work out, we met at Fair Enough for dinner. Thanks to the four members who attended the working bee on the Balmattum Walking Track on Friday, a job well done. Those who intend on seeing the BeeGees at BPACC on September 1st need to have their numbers to Bernie ASAP.

Cheers Richie

Memorable Moments

Memorable Rotary Moments from PP Reg Gifford:

I was inducted in to the Euroa Club on 1/6/1971 on the proposal of Harold Joyce.

Fred Tubb was Club President at the time. My memorable Rotary moments include:

- the wonderful support given to me and my family on the tragic death of my wife Shirley
- the recognition of my Rotary contribution with a Paul Harris Fellow
- my FAIM (now RAWCS) team visit to Madang Papua New Guinea in 1973/74 to build an outpatient clinic at the hospital
- my visit with the Rosebud West Club to Java to present funds for the purchase of sewing machines to make school uniforms and generate a funding stream for the community and surrounding villages"

The Board is considering scrapping the trailer raffle this year. Members are seeking ideas to replace that raffle, as it is felt that the idea is tired. Let President Richard or Secretary Mandy know your ideas, please.

- Heather King has been moved to Melbourne for further treatment. She is at St Georges's Hospital in Kew and would love to see some of her Rotary friends if they are in Melbourne, an easy trip on the 109 tram from Southern Cross down Collins Street towards Box Hill, stop 40.
- The club has sent its condolences to James Carter on the death of his mum
- Barrie Craven is home following a stint in hospital
