Could any suggested changes to the Euroa roster & program please be emailed to the Editor. It is too difficult to take note of changes at the meeting on the hop.

# Richie's Report

Friday night twenty of us went to Benalla to see the Bee Gees, they put on a good show. Thanks to Rob for driving the bus and Bernie for organising the finer details. Cheers Richie.

## **Thursday Night's meeting: The Bee Gees**

Some 20 Rotarians and partners really enjoyed the Bee Gee show at the Benalla Performing and Convention Centre on Friday night. There were many recognisable tunes for those of us who grew up during their popularity. Thank you, Diane Morley, for capturing Ronnie Doxey, John King and President Richard enjoying themselves before the show.

## Memorable Moments

From Gillian Allen...

"I was inducted in to the Euroa Club on 19/11/2009 on the proposal of Linda Bennett, having been a Member of the Rotary Club of Wodonga.

I feel **part of** my contribution to the Euroa Rotary Club occurred when I attended a public meeting out of interest that was called by the Shire when they were needing a community group to run a Farmers Market.

I went to two meetings just listening to what they were planning then when I said I was in the Rotary Club they asked me if we would take it on.

I came back and spoke to a few people and then took Brian Bamford with me to the next meeting to find out some more details if the club was to take this on as a project. Brian and I were very interested in our club taking it on as a project.

At the time I felt it was something that would put our club in the public eye a bit more.

After listening to what was involved Brian and I thought it was worth taking this proposal to the board, they agreed we should take it on.

We formed a committee of very enthusiastic people some of whom are still on the committee today and we really worked hard for a year with the Shire to get the market up and running.

I have always been very enthusiastic about the market becoming one of the major functions in Euroa that benefits lots of people both in our town and wider afield with the large amounts of money that has been raised and will continue to be raised if we keep up the high standard we have set.

I certainly don't take all the credit for where we are now but I often wonder if I had not gone to the first public meeting calling for any interested people to run the market if we would have a market in the town and who might be running same.

I feel this is my small contribution to our club."
