**Apologies and guests to Noel O'Meara on 5795 2783 by Thursday 11 am**

Could any suggested changes to the Euroa roster & program please be emailed to the Editor. It is too difficult to take note of changes at the meeting on the hop.

# Richie's Report

Last Monday Bill Sargood, Bob Irving, Gillian Allen, Dennis Nolan and I, visited the Wangaratta Rotary Club, to listen to their guest speaker Tommy Nyawir.

Tommy was very interesting and spoke about a project he started in his home town of Nairobi called Mirror of Hope.

This Sunday we are on duty at the Spring Family Festival Melbourne Cup Tour day at the Memorial Oval. Setting up at 8.00 am, BBQ from 10.00 am and clean up at 4.00pm. Lots of helpers are needed.

This week we need to discuss our Inter Club visit to the Moira Kelly complex, and we also need nine volunteers for the up coming Targa Rally.

Cheers, Richie

## Thursday Night's meeting

- Club needs to think about a "showcase project" for the March Conference
- Nov 12, Sunday lunch at The Falls for Granite Hills: cost \$100. Club to have a table of 10?
- Euroa Show Oct 28: four people needed to help build a maze out of small bales. Our tables/chairs to be delivered and picked up.
- Oct 15 Melbourne Cup visit to Euroa at the Spring Festival: we will help set up, run the barbecue from 10am to 3pm, and help with the clean up. Mandy is arranging helpers.
- October 19 several members will be at Euroa Secondary College for lunch and assist Year 10 students with goal setting ideas.
- The "Lift the Lid" mental health programme will feature at our next market where we will have a stall featuring fascinators and bandanas and will raise money for Mental Health.
- All the work at Post Office **Place** (not Park, as reported last week) is taking shape and the site is starting to look terrific.
- Bob Irving gave a talk about his visit to Tobermory, Isle of Mull, Scotland (his family roots started there) and of the projects in the surrounding areas to make use of fermented seaweed and cheese to become alcohol as well as converting running water into electricity, and again, alcohol!!
- Bob was also involved in some preliminary work with evaluating the worth of digging in certain farm areas to try and locate ancient stones of historical and scientific importance.

## New York Visit for the Morleys

Peter Morley is pictured at the Breakfast meeting at the Rotary Club of West Seneca, Buffalo, New York State this week. Peter was guest speaker at the meeting. Some Euroa Rotarians may remember Wally and Joan from their RFE visit to Euroa. Peter and Di hosted Joan, Wally was hosted by Neville and Beryl Harris. Wally, and his wife Barbara, and Joan asked us to pass on their regards to Euroa Rotarians in particular Neville and Beryl and Michael and Jenny Tehan. Peter says they were very spoilt during their visit to Buffalo. Joan held a dinner on their first night, 15 Rotarians joined them. On Monday, Wally and Barbara gave up a day from their busy schedule to show them the sights of Buffalo. Tuesday Joan took them to the USA side of Niagara Falls. Wednesday, after the meeting, they left Buffalo for Nashville. They are now bootscooting their way around Tennessee. HEE HAW!

# Rotary Education

Objects of Rotary...

*The Object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:*

- 1 The development of acquaintance as an opportunity for service
- 2 High ethical standards in business and professions: the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.
- 3 The application of the ideal of service in each Rotarian's personal, business and community life
- 4 The advancement of international understanding, goodwill and peace through a world fellowship of business and professional persons united in the ideal of service.
