Richie's Report

Happy New Year to all and welcome back. Hope everyone had a lovely Christmas break, I have spent a week at Orbost with family milking cows and beaching at Cape Conron.

Our first priority is to get the irrigation set up at the new park. Simon Box will need some willing helpers. A busy day is looming on Saturday January 20th. The Farmers' Market, Carl & Michelle Leech's fundraiser, and at least 4 people are required to go to Alexandra to build two prosthetic hands. We have committed \$1000.00 to this project.

Just before Christmas Rob Morphett and I attended the Euroa Secondary College presentation night where I presented the music and civil and citizenship awards. The school band were great and played through the night.

Hope to see you all next Thursday 11th January 7.30am for breakfast BBQ in the park.

Cheers Richie

Hands on Project

The Alexandra Rotary Club will be conducting a workshop to construct Prosthetic Hands and our club will participate on January 20. We have purchased 2 hands and we have been invited to put these hands together on this day.

The hands are then taken overseas by Rotary Australia World Community Service teams to distribute to those who need them. The recipient is fitted and trained to use the hand, as are the rehab facilities where we work.

If you wish to attend this project, could you please email Mandy Edwards asap, as per the email sent to all, so that the Board can determine who the teams will be. We are assembling two hands, and observers are welcome.

Happy 80th Birthday, Gillian, we all hope you have a wonderful day Saturday.
