Could any suggested changes to the Euroa roster & program please be emailed to the Editor. It is too difficult to take note of changes at the meeting on the hop.

Richie's Report

Last Wednesday Yvonne and I hosted the Long Island New York Rotary Friendship Exchange team. After a tour of Lindsay Park we sat down to a beautiful lunch prepared by Yvonne. Other host Rotary Clubs were Mooroopna/Shepparton, Benalla and Rutherglen. On Tuesday Benalla took the team by train to Melbourne for a day of sightseeing.

The Farmers' Market at Memorial Oval looked terrific, full details will be forwarded after our market meeting on Monday week. The Euroa Gift was once again successful with athletes very appreciative of the prizemoney, support and volunteers making it all run smoothly. Thanks to all members who helped on the day.

Thursday Night's meeting

Thirty Rotarians, wives and partners made the bus trip to Benalla to join with the Benalla Rotary club in a very pleasant evening where they welcomed 8 visitors from the 7255 district of Long Island, New York.

Long Island takes up 40% of New York State and has a population of approximately 8 million people. It is 190 km long and 37 km wide.

Chairman Graeme introduced the 8 visitors and their team leader Connie, from the Rotary club of Riverhead gave a short and interesting address on their district and of some of the club activities.

A weekend Lobster fest, a 5km fun run down a runway at JFK airport and a Beefsteak and wine weekend were successful fundraisers the different clubs conducted each year. They had also found that networking nights at various venues had been well received and had been a benefit in recruiting new members.

They had been guests of President Richard and Yvonne at Lindsay Park the previous day and had thoroughly enjoyed the experience and are looking forward to hosting them when they will be guests in Long Island in July this year.

President Richard reminded all of the busy weekend ahead and called for a full club effort at both the market and the Euroa Gift.

There will be no meeting next Thursday because of the conference at Yarrowonga and the following weeks meeting will be on the Tuesday before Easter.

Rotary Club members from Benalla & Euroa enjoyed their evening together on Thursday.

Some of the races held at the Euroa Gift on Saturday.

The Euroa Famers' Market was held in at the Memorial Oval his year to help support the Gift.

Apple's new futuristic headquarters, Apple Park in Cupertino, California, is having some problems. The building is filled with so much clear glass that employees have reportedly been walking into glass walls. I guess Apple shouldn't have installed windows.
