Richie's Report

Yesterday's market was cold and wet at times however the BBQ manned by Currie Park residents reported a good trade and market goer's spirits were high.

The Meat Raffle was drawn at the market and our member John King, along with Peter Tull from Yea were the winners of the two half steer prizes. Other lamb winners were Whittlesea Rotary President Jenny Towt, Cobram Rotary President Neil Kerr, Eddie Burke (Avenel) and Brad Kubeil (Euroa).

As this week's Rotary meeting is our last before the Changeover, could we have RSVP numbers for 30th June changeover dinner at Graze on Clifton please, to Noel.

Great to see Bill and Neville walking around at the Farmers Market on Saturday.

Cheers Richie

All the action for the drawing of the Fill Your Freezer Raffle by President Richard in freezing conditions, no wonder so many Rotarians won prizes

Thursday Night's Meeting

Guest speaker – Jonathan McKeown, Executive General Manager, V/Line.

Jonathan spoke to a number of detailed overheads and whilst his address was interesting in a general sense, it did not provide any encouragement for train users along the Euroa line.

Government funding is the key issue and current budget allocations are being directed towards the current fast train lines and plans for increased freight capabilities.

Richard and Jonathon after the meeting

Maiden speech – Sarah Bullen

Sarah provided us with a delightfully entertaining account of her varied and interesting pursuits through to this time.

Sarah also responded to several questions from the floor – the questions evidenced the interest and attention given to her address.

Her candour was made all the more remarkable given that husband Don has ‘the right of response’ on June 21 when he provides his maiden speech.

Board Composition 2018/2019 - (By-Laws of the Rotary Club of Euroa Inc)

In accordance with the Club's By-Laws and by a unanimous show of hands from, all members present, the 2018-2019 Board members were confirmed.
