# Bernie's Buzz

Well the buzz around the traps is that Bernie had such a good night at the Change-over dinner that he needed a week's rest up on the Sunshine Coast to recover, where do these stories come from? However he does say (not promise) that there will be a report next week.

Cheers Editor

## **Saturday Night's Meeting The Change-over Dinner at Graze on Clifton**

Under the impeccable "hush power" guidance of MC Michael Tehan the handover dinner was a great success, with a packed "house" in attendance.

The function was supported by Bernie Bott our District Governor, John Mason (Councillor, Strathbogie Shire), Benalla Rotarians and the Euroa Lions Club, all of whom were warmly welcomed by everyone.

Several Rotarians who have served our Club for 30 years or more were recognised, as were the new Rotarian members who joined during the year.

Outgoing President Richard provided an outline of the numerous and worthwhile achievements throughout the year and thanked his Board and all members for strong support. A sterling effort Richard.

Our District Governor addressed the group and acknowledged the strength and significant achievements of the Club.

Incoming President Bernie spoke and unfurled his new banner, which has a positive message that delighted everyone. Bernie mentioned the Club Assembly on July 5 and requested members to check their portfolio of interests and also be aware that variations to the suggested allocation of roles in the draft portfolio documentation will be fine.

Sergeant Brian Bamford kept us amused, with many members relieved of their surplus coinage and notes due to misdemeanours etc. Lyn Newnham has been requested to provide a photo of her unfortunate occurrence.

\$200.

The formal handover arrangements proceeded without incident however the palpable grin of relief on Richard's face when the "Past President" badge was pinned on him was reminiscent of the Cheshire Cat.

Richard's partner Yvonne provided a delightful and significant contribution to the evening, with a lovely arrangement of flowers on every table which were raffled at the end of proceedings, contributing over

### **Update**

Neville wants to thank those looked out for him and Beryl on Saturday night and he is back home and thinks it was merely dizziness. He said "I am now fine, thank you to those who have inquired about me, and (as already had been arranged) I will be seeing a cardiologist next week as a follow up to my angiogram."

## **International Convention 2019 Hamburg**

**Everyone received the info on the next International Convention, something to think about and consider attending.**

**Also we all received the email with Malcolm Kerr's (the new DG) message, well worth a read.**
