Bernie's Buzz

Our guest speaker last Wednesday was Matt Sharp who is the CEO of GV Health. He gave us an informative insight into the running of the G V hospital and touched on developments that are taking place at present and also the five year plan in place.

Helen Waterworth and I are attending two Shepparton Rotary Clubs next week to entice some of their members to attend our Long Lunch.

We have been fortunate to get permission from the Violet Town Market Committee to sell tickets at their March and April markets which should bump up tickets sales.

We sold tickets at the Longwood Beer and Cider Festival this weekend.

At this point we have covered costs and are well into profit mode.

Save The Date 29th June 2019 for the Changeover Dinner at the Euroa Butter Factory.

At the competition of last week's meeting a Board Meeting was conducted to finalize the procedure for voting for Wednesday or Thursday night meetings. It was decided that each member will be handed a piece of paper and an envelope to place their vote in. Brian Bamford and I are handing out the envelopes to each member. This is to be returned to Secretary Gary by 11th March 2019 for consideration by the Board at their meeting on 12th March 2019.
