Bernie's Buzz

Thank you to Gary Mason for stepping in to chair last Thursday's meeting as Max McBurney had to attend a friend's funeral.

Roger Morgan was inducted and we are looking forward to hearing his maiden speech at next week's meeting. Roger will be a great asset to the club along with his wife Chris.

I presented my report for the year's activities and the full report will be accessible on the Annual Report.

Many thanks to Brian for his comments on the successful year. We were all very appreciative of his thoughts.

If any has not advised if they are coming to the Changeover please let me know this week as numbers have to be into Jill at the Butter Factory by 29th June 2019.

Val Smith has indicated to me she wishes to get a ride to the Changeover Dinner with a Rotarian if they are able to do so. . Please let me know if you may be able to assist. She is happy to get a taxi if need be.

New Euroa Rotarian Roger Morgan is pictured with President Bernie and proposer Brian Bamford following his induction on Thursday evening.

Piano Recital afternoon well attended

Sunday avo's recital at Cloudbase, the home of Yvonne and Mark Carr, was a huge success and enjoyed by the 66 people who attended. Yvonne is pictured with pianist Josh Hooke who played Yvonne's beautiful piano in her Creighton's Creek home. Josh played Mozart, Beethoven, Mussorgsky and Debussy. Everyone enjoyed afternoon tea following the recital, amazed at the properties' wonderful view of the valley. A great thank you to Sarah Bullen who organised the event, she'll be quick to say with the help of others, and a profit of \$1 000 was made for the club's projects.

Thursday Night's Meeting

Preseident Bernie presented his year in review, which is, in fact, his Annual Report, which will appear in the our annual publication due out next week by email and will be presented at the ChangeOver Dinner on June 29 at the Butter Factory. Some of the important points include:

- 7 new members inducted
- exciting year, new events including Comedy Night, Long Lunch, catering at the show
- Calcutta
- Drought relief donation
- Show & Shine bbq
- Conference Jeff's Shed with great display
- Amaroo Clean up
- Ride the Ranges
- The support of Vice President of Brian Bamford, in my absences

“ In conclusion, my heartfelt thanks fo to all members of the Board. Their camaraderie and energy and wonderful good hearts are the backbone of Rotary. Without you all, our community would be bereft. Likewise, as for other partners of Past Presidents, I would like to acknowledge Ronnie Doxey for all the behand the scenes support she has bestowed on me-thank you.”

The electric door openers have been installed on the Rotary Shed recently and Sarah Bullen demonstrates the ease with which they operate. Donald holds the golf stick which no longer be required to THROW the doors open. Well done to all involved in getting this job done, it did seem to take a while. For everyone's information, the remotes are located in the top drawer at the sink cupboard. This is a great achievement!
